Update Your Network

Keep your knowledge network accurate and up-to-date! Import your e-mail or ICQ archive for analysis. Analyze your e-mail archive. This may take up to a few minutes.

Analyze your ICQ message archive. This requires you to submit your local ICQ ".dat" file (What's this?):

128

Browse Your Network

Stay on top of your knowledge network's health! Choose one of the following graphical representations of your network.

Browse the bulls-eye view.

Browse the network view (What's this?):
